

ICCR 2019

CALL FOR PAPER

Jeju Island, Korea| May 25-27, 2019

CONFERENCE TOPICS:

Adaptive Signal Processing and Control

Hybrid systems

Performance Evaluation and Optimization

Biomedical Image analysis

Industrial Automation and Robotics

More topics, please visit <http://iccr.net/cfp.html>

2019 2nd International Conference on Control and Robots (ICCR 2019 – www.iccr.net) will be held during the period **May 25-27, 2019** in **Jeju Island, Korea**. It is Co-sponsored by IEEE, Dalian Maritime University, China; Hunan University, China. Patrons: Concordia University, Canada; Dalhousie University, Canada; South China University of Technology, China; and NTOU-National Taiwan Ocean University, Taiwan.

Publication

2019 2nd International Conference on Control and Robots (ICCR 2019) will be held during May 25-27, 2019 in Jeju Island, Korea. Accepted papers will be published into ICCR 2019 Conference Proceedings by IEEE. The proceedings will be archived into [IEEE Xplore Database](#) and be submitted to [Ei Compendex](#) and [Scopus](#) after the conference.

Good News!

ICCR 2019 has been listed in IEEE Official upcoming conferences calendar

https://conferences.ieee.org/conferences_events/conferences/conferencedetails/47134

ICCR 2018 Conference Proceedings has been archived into IEEE Xplore within 2 month after the conference: <https://ieeexplore.ieee.org/xpl/tocresult.jsp?isnumber=8534479>

Submission Method

Online Submission System: <http://confsys.iconf.org/submission/iccr2019>

Important Date

Submission Deadline ----**April 15, 2019**

Conference Venue

Hotel RegentMarine
